IMPORTANT THINGS PUT OVER

The Barrier

BY REX BEACH Author of The Spoilers

A picture of the Klondike, a story of the conflict of passions universal-harred born of terrible wrong, heart hunger unsatisfied and love that sweeps away every barrier. Poleon, the Great Heart, the character who caught the artist's fancy, will captivate the reader. Such high authority as the Boston Transcript says:

In The Barrier Mr. Beach has written a story that is far stronger, far more gripping and powerful than The Spoilers.
